

The Award in the Commonwealth

The Duke of Edinburgh's International Award is a global framework for non-formal education and learning, which challenges young people to dream big, celebrate their achievements and make a difference in their world. The Award is present in 130+ countries and territories, including many within the Commonwealth.

Many of our Award participants and volunteers will be supporting their communities during this time. Within the Commonwealth, the Award is present in the countries below. Whether you are looking for volunteers, or considering new ways to support young people, please do get in touch via the details below.
